

RE-IMAGINING GLOBAL GOVERNANCE:

CIVICUS' 2014 STATE OF CIVIL SOCIETY REPORT

CIVICUS' 2014 State of Civil Society Report analyses the turbulence of the past year with citizens at the forefront of demands for change from Brazil to Turkey and Ukraine. Its theme, 'Reimagining Global Governance' focuses on democratising the international arena.

The event will provide a unique opportunity to hold a dialogue about:

- How do we address the gap between global institutions and the plight of citizens on the ground?
- How can global governance move beyond narrow political agendas?
- How can we integrate citizen voices into global decision-making spheres?
